Hillberg opens

Hillberg ski hill is open for business, offering the Elmendorf community a myriad of winter sports experiences. Saturday is Military Appreciation Day, and all military members and their families will receive free ski passes. Clockwise from Top Right: Tech. Sgt. Walt Bevens, 517th Airlift Squadron, tries to talk his son, Mitchell, 7, into not hitting the brakes on this trip down the hill. Andrew Morales, 10, catches one of the many tasty white waves at Hillberg. First Lt. Mike Hulin, 3rd Logistics Group, and his daughter, Alex, 11, work on aerodynamics as they head downhill. Rebekah Cunningham, 7, tries to slow herself down on one of the inner tubes Hillberg has for rent. Kevin Gochanour, ski technician, mounts bindings for a customer, one of the many services Hillberg offers its patrons.
